As has been proven, time and time again; Those at THE TOP of the US FEDERAL GOVERNMENT have illegally 'securitized' property belonging to Durham [Intl. Ltd;] Holding Trust, Tias 12087 where in contained in said Trust the amount calculated by the Central Intelligence Agency and West Coast Fed. Bank, calculated from May 1, 1875 to May 1, 1990 in the amount of 206,858,581,465,280,000,000.00 AMERICAN GOLD DOLLARS due and payable per contract in American Gold Dollars, Gold, Gold Coin, Gold Bullion and/or Coin of the Realm.

There is 48% [fourty eight percent] of the amount calculated held in reserve for the Xth Amendment Governments of the Sovereign People of the Sovereign Republics to RESTORE the INFRA-STRUCTURES, and for those needs determined by the Sovereigns of the Republics as needed for education, schools, indistry, manufacturing, highways, bridges, waterways, research and development of new energy, health care, for the elderly and disabled etc., etc., as determined by the "sovereign people".. not by "private vested interest groups" in the U.S. House and Senate, the WHITE HOUSE and/or the Judiciary's "Retirement Investment Portfolio"..

The beforemension was calculated 1989 by the Central Intelligence actutarial services and notarized, filed of Public Record.. also calculated by the West Coast Fed. R. Bank.. which threw the W. Coast Fed. R. into a state of inability to RECONCILE from 1989 to mid 1998.. which is Public Knowledge.

Note: If you noticed I did not put this fiat money identifier "\$" in front of the calculated amount. The true identifier of Gold and Silver backed U.S. DOLLAR is an "\$" with two bars, not one.

As "Private Vested Interest Groups" buy, bribe, coerece, intimidate U.S. House and Senate Members, THE WHITE HOUSE and the Judiciary.. to 're-write laws' to protect themselves against those victimized by the "Predatory Banking System" of the US Federal Reserve Banking and Associates.. being the Duly Constituted Creditor of the United States of America and All Debtor Nations.. It was determined FIRST PAY THE DEBT OF 6.5 TRILLION DOLLARS which was made Public as the Debt of the United States.

The DEBT was paid as agreed upon May 21, 2003. The DEBT PAYMENT never showed up on the BOOKS at Treasury?

The DEBT was paid.. to set the *People free from HARMS WAY of the pending

Financial Foreclosure on the Federal Reserve Corporate Banking System..

As things currently stand.. they can 'by law' foreclose on the Federal Reserve Banking Corporation.. but the Sovereign states of the Union of the Republics stand "Hold Harmless".. THE DEBT WAS PAID.

Yesterday.. September 10, 2010.. the eve of 9/11 Concerned Americans attempted to FILE IN ARTICLE III COURT for THE EQUITY held by THE ASSUMED DEBT OF THE UNITED STATES OF AMERICA.. THEY WERE DENIED ACCESS TO FILING IN THE ARTICLE III [CONSTITUTIONAL COURT] even though the Constitutional Question of Jurisdiction had been met.

The story of Article III, the judiciary article of the Constitution, is in many ways the story of American constitutionalism itself. The tale has a beginning but no end, and it is fraught with tension, uncertainty, and ambivalence.

Article III of the Constitution defines and delimits the “judicial Power of the United States.” Intended to guarantee an independent federal judiciary, its first section provides that federal judges shall enjoy tenure during good behavior. Section 2 enumerates the categories of cases in which a federal court either may or must have jurisdiction. Section 3 defines the crime of treason. [continues <http://www.answers.com/topic/article-iii>]

quote: The principal conceptual device for defining the judicial role and ensuring its effective exercise emerges from the text of Article III, which limits federal judicial power to the decision of “cases and controversies.” In defining those terms, the courts have developed what are frequently known as justiciability doctrines.

One set of justiciability doctrines serves largely to protect judicial independence from the legislative and executive branches. Especially during the early years of the republic, both Congress and the president showed some disposition to enlist the federal courts as their advice- giving assistants. Sensing that judicial independence, prestige, and power were at stake, the justices of the Supreme Court quickly established two principles of continuing validity. Article III prohibits the issuance of advisory opinions by Article III courts. In addition, it requires that judicial decisions possess “finality,” or immunity from executive revision. [end quote]

September 10, 2010. THE CONSTITUTIONAL QUESTION [Jurisdiction] was met

PLEADING EQUITY .. Defendants: US COMPANY, US CORPORATION, US DEPT OF THE TREASURY, US FEDERAL RESERVE BANKING ETALII.

EQUITY DOCTRINE: "He who pleads equity must do so with clean hands"...

Precedent: NOTE BY THE DEPARTMENT OF STATE

Pursuant to Public Law 89-497, approved July 8, 1966 (80 Stat. 271; 1 U.S.C. 113)

" . . . the Treaties and Other International Acts Series issued under the authority of the Secretary of State shall be competent evidence . . . of the treaties, international agreements other than treaties, and proclamations by the President of such treaties and international agreements other than treaties, as the case may be, therein contained, in all the courts of law and equity and of maritime jurisdiction, and in all the tribunals and public offices of the United States, and of the several States, without any further proof or authentication thereof."

EQUITY DENIED by ARTICLE III COURT SEPTEMBER 10, 2010.

Equity "Denied" because "Defendants" would be required to 'show clean hands' also.. which would have been an impossibility.. Here is why: PUBLIC NOTICE

And now.. to THE CANDID COURT OF PUBLIC OPINION

Four days prior to 9/11/01 I came down for morning coffee with the family before everyone took off for work.. Everyone was sitting watching the morning news.. and I sat unusually silent.. The others asked why I was so quiet.. I replied: I have a horrible feeling something terrible is about to happen.. You know the "10th year term, or to remain in effect until the US Dollar Provider is Exhausted" on those two \$120 Billion Dollar instruments Bush authorized Baker, Nicholas Brady and Greenspan to use expires in a couple of days."

The false flag operation of 9/11 is not an academic issue. NATO heads of state, from U.S. President Barack H. Obama to Canadian Prime Minister Stephen Harper routinely still employ "9/11" as the political and symbolic pretext for a war in Afghanistan, and for the expansion of police state measures domestically and in the worlds travel, banking and financial matrix. In a 2006 paper entitled, False Flag Operations, 9/11, and the Exopolitical Perspective, Dr. Michael E. Salla writes: According to an August 2006 Scripps Howard/Ohio University national survey, 36% of Americans believe 9-11 was an "inside job" with government agencies complicit in what occurred. A Zogby poll in May 2006 found that 42% of Americans believed that official explanations and the 9-11 Commission were covering up the truth. • Continues at: <http://www.examiner.com/x-2912-Seattle-Exopolitics-Examiner~y2010m4d4-US-attorney-or-district-attorney-can-prosecute-Bush-Cheney-and-Rumsfeld-for-murder-on-911>

For many years it has been known the Bush-Clinton Crime Family Syndicate Banks connection with the 'Gladios' and long standing 'connections' with the Far East Banking which evolved into BCCI Bank of Pakistan.

BCCI intent was and is to 'take control over US Banking'.. Senator John Kerry simply did not continue his investigations to uncover the 'octopus' in the global banking, financing and Economics.. Had he continued.. Benjamin Netanyahu would have been discovered in the Chicago Illinois Based Banking La Salle Banking Group a connection of the "Gladios

old SS BANKERS" [Mafia, Longshoremen/Teamsters]" who were brought in to the U.S.

Treasury by 'bribing' the U.S. to allow them into the U.S. Dept. of the Treasury before they

would off load.. Gen. George Patton's 3rd Army Military Equipment for the big push.

New York, Became yet another Banking Arm ..connected with Israels Banking Systems.

This "Gladios" BCCI predatory banking stomped on too many liberties, freedoms, as their heavy handed practices of bribing, coerecing, intimidating Law Makers to "change the laws by repealing the Protective Acts of Congress" which held the Property, Mineral Rights, Water Rights, Infra-Structures, Health Care, Homes, Farms, Bridges, Highways, Rivers etc.. maintained to protect the People, their Lives and Property's..

September 12, 1991. A ten year agreement was entered into authorized by then president G.H.W. Bush.. using "un-authorized collateral" it is explained, and documents are contained in this article 9/11 CANTOR FITZGERALD, GOLDMAN SACHS, FED. R., UST, BUSH ETAL 'FINANCIAL TERRORISM'

The '10 year' agreement ended on or about September 11, 2001.

The following is only a synopsis, NOT the entire report. I did not create the synopsis or read the full report of 381 pages that is found [HERE](http://www.scribd.com/doc/16970135/September-11-Commission-Report-Revised-December-2008) <http://www.scribd.com/doc/16970135/September-11-Commission-Report-Revised-December-2008> . It was stated that, "Evidence supporting these claims is provided. A list of those who could be considered 'a person of interest' is identified at the end of this report. Not one is a known member of any officially classified terrorist group."

If not "official terrorists", then who? Consider this...

THE SEPTEMBER 11 COMMISSION REPORT REVISED DECEMBER 2008 [SUMMARY FINDINGS] confirms SIX GROUPS WERE INVOLVED including the Bush Family and Russian Mafiya to cover the attack on the WTC's on 9/11 involved in the UNAUTHORIZED USE of V.K. Durham and Russell Herman's instruments used by the Bush Family and Russian Mafiya which were used for the 1991 Bank Failures and Brady Bonds without Authorization of V.K. Durham and Russell Herman [p-10].

II. Attack on the World Trade Center

A. Israelis have been extensively identified as involved in the WTC attack activities and having inside knowledge of the flights and time of attack. Seven

lines of investigation support this claim:

1. Two Israelis placed explosives in the twin Towers and Buildings 7 and 6, four buildings that housed multiple investigative agencies of the Federal Government and the State of New York. Khaled Odtallah (from Jerusalem) provided fake ID to Rocky Hammad (from Gaza). Hammad was employed by Sergie Dimitry Davidenko (from Ukraine) to work on the water system the weekend prior to the attack. The attacking plane hit the floor of the South Tower where the 5000 gallon reserve water tank was staged. Sergie Dimitry Davidenko has disappeared since 9/11. Davidenko is a proficient ham radio operator from the Ukraine and an 'applied mathematician' whose work is referenced by at least two recent articles on missile test systems. He most likely configured the guidance system which guided the plane into the building.

2. The guidance system on the market that best meets the requirements of guiding a multiple plane attack from a single source is provided by System Planning Corporation, where Rabbi Dov Zakheim, key PNAC (Project for a New American Century) member, is Executive Vice President. Zakheim is on record as having "an abiding commitment to the People and the State of Israel."

3. Israelis were so close to the operation they knew the flights and time. They were able to warn the employees of Odigo, an Israeli firm, two hours before the attack. The CEO of Odigo has confirmed the advance warning.

4. Israel had agents involved in monitoring the supposed hijackers in both Norman, Oklahoma and Sheridan, Florida, at the flight schools attended by the hijackers.

5. The Israeli Prime Minister has acknowledged providing advance warning of the attack to the Bush administration.

6. The company that manages security at the Boston airport from which two planes departed, is managed by former Israeli intelligence and military

7. Israeli agents were arrested videotaping the attack from a roof-top, suggesting a-priori knowledge. These agents were released to Israel without charges.

B. Israeli intelligence organizations have been found to previously have been responsible for 'false flag' operations in multiple locations, presenting themselves as Muslim terrorists. In 2000, 11 Israelis masquerading as Muslims were apprehended by the Indian government in their attempt to hijack an Indian airliner.

C. The Israeli intelligence organization with responsibility for these attacks has extensive links to the Russian Mafiya and ex-KGB resources, all of which had motive, involvement and knowledge pertinent to crimes being investigated by

several agencies in the World Trade Center;

D. The Israeli links to September 11th are based on Russian KGB/oligarch émigrés to Israel who have created a rogue operation in the KGB, but are funded through operations born from the September 1991 bonds created by Bush, Greenspan et al.

E. Six groups were involved in the attack on the WTC”

1. The group that initiated the attack most likely consisted of an international network of financial executives representing primarily the Bank of New York, the New York Federal Reserve Bank, Riggs Bank, Deutschebank and the Union Bank of Switzerland (UBS), and should include representatives from Bank Menatep, Swiss-American Bank, Credit Suisse, Investor AB, and Allianz, and their respective subsidiaries and major investment partners.

This decision was meant to stop multiple money laundering investigations which would have traced illegal money laundering operations to accounts that held stolen national treasuries. Only a very few of the individuals in this group would have participated in or been knowledgeable of the decision. With a decision being made in 1998, the attack on the WTC was probably delayed until September 11, 2001, to allow the Bush Family and Russian Mafiya to cover the settlement of the fraudulent Durham/Brady Bonds .

2. The group which probably planned and set-up the attack on the World Trade Center was most likely a mix of Russian/Israeli Mafiya, ex-KGB and Israeli secret service, with the assistance of David Kimche (Mossad agent), Meir Dagan (head of the Israeli Mossad), Adnan Khashoggi and Sheikh Kamal Adham (former head of Saudi Intelligence), Richard Armitage and Richard Secord.

Kimche, Armitage and Secord are the only field intelligence operatives identified in the world press as having field management responsibility for Al Qaeda mercenaries. Khashoggi is documented to have coordinated similar types of false “terrorist” attacks in Russia, with the participation of CIA and Israeli agents working with Chechen Mafya (with its participation of CIA and Israeli agents working with Chechen Mafya (with its strong linkages to the Yeltsin Family.)

3. The group that probably arranged for operational cover in the US, and intelligence support the operation required most likely consists of re-united participants in the Iran-Contra dealings of the 1980's. This group has been working in concert in Central Asia, using Baku, Azerbaijan as a base of operations since the early 1990s. This group of former Iran-Contra conspirators includes:

a) Adnan Khashoggi: whose Azerbaijan banks “played a big part in the formation

of terrorist camps and in the opening of

The Bush-Clinton Operation abused Powers of Office of Public Trust in far too many ways to mention.. Durham Holding Trust, Tias 12087 "Collateral" property became a 'target' and frankly the 'basis' of "collateral" used illegally through Private Off Ledger Banking at the Federal Reserve Bank 1991-92.

Again; Let us go back.. and take a look at <http://www.scribd.com/doc/16970135/September-11-Commission-Report-Revised-December-2008>

A young man by the name of Nicholas Berg was executed in Iran..

Who was Nicholas Berg?

Nicholas Evan Berg (April 2, 1978 – May 7, 2004) was an American Jewish businessman who went to Iraq after the US invasion of Iraq. He was abducted and later beheaded according to a video released in May 2004 by individuals claiming to be Islamic militants. The CIA claimed that Abu Musab al-Zarqawi personally beheaded Berg.[1]

The decapitation was released on the Internet, reportedly from London to a Malaysian hosted homepage by the Islamic organization al-Ansars.[2] [more on Nicholas Berg at http://en.wikipedia.org/wiki/Nick_Berg]

But, keep in mind.. the executioners are not to be believed to be Iranians.. [video <http://www.voltairenet.org/article30100.html>]

Could Nicholas Berg's execution have been related in any way to PHILLIP BERG? Let us take a look at this Mr. Phillip Berg.

Friday, January 12th, 2007

Philip Berg - Seeking the "Truth of 9/11"

Philip J. Berg, Esq. Seeking the "Truth of 9/11"

Calls on World Community To Arrest and Try Bush & Cheney for Global Crimes of 9/11

Philip J. Berg, Esquire

Philip J. Berg, Esquire, [Berg is a former Deputy Attorney General of Pennsylvania; former candidate for Governor and U.S. Senate; an attorney with offices in Montgomery County, PA and an active practice in Philadelphia, PA,

who prior hereto has filed a RICO lawsuit against Bush and others for the events of 9/11 and plans to re-file shortly] announced today that he was issuing a call for world leaders to arrest and try Bush and Cheney for the global crimes of 9/11/01.

Philip J. Berg, Esquire stated in a letter to the nations throughout the world:

“It is time for the nations of the world to come forth and take the leadership because of the failure of the United States Government and the States where crimes were committed on 09/11/01, where no thorough investigation and indictments occurred, to investigate, arrest and prosecute the people responsible for the murders on 9/11/01, specifically including George W. Bush and Richard Cheney. ”

Berg continued there is overwhelming evidence that:

“Bush and his cronies made 9/11 happen or let it happen. And, if they let it happen, then they made it happen. Either way, they are responsible; and more important, they have completely and unequivocally covered-it-up!”

Berg’s letter went on to say:

“The trial and execution of Saddam Hussein marks the “end of a difficult year for the Iraqi people and for our troops” according to President Bush.

Now, it is time for world leaders to take the lesson learned from Iraq and issue a warrant for the arrest of George W. Bush and Richard Cheney; arrest them; take them to a neutral country; try them for the murder of over 2,800 people from more than 80 countries on 9/11/01 and, when found guilty, sentence them appropriately. Jurisdiction would be proper in any of the more than 80 countries whose citizens were murdered on 9/11.

Despite a near-complete corporate media embargo on the wealth of evidence indicating that the 9/11 attacks were caused or knowingly permitted to happen by top figures in the Administration and the military, 84 % of the U.S. public, according to an October 2006 CBS/NY Times poll, is unconvinced by the “Official Story,” and agrees that the President and others caused or allowed the attacks to happen.

That an event such as 9/11 was desired by powerful Administration figures, including Cheney and Jeb Bush, the President’s brother, is a matter of record, as the Project for the New American Century’s [PNAC] blueprint for worldwide U.S. dominance entitled “Rebuilding America’s Defenses,” stated that the program they advocated could win popular support only with the help of a “catastrophic and catalyzing event, like a new Pearl Harbor” which (we are supposed to believe to be coincidence) came to pass just 8 months after many of the co-signers of the PNAC document assumed high positions in the new Bush

Administration in January 2001. continued at source:

1994-95 to extend the 'global banking, financing and economic 'frauds'.. president Clinton did the unthinkable.. by Executive Order he allowed the Private Corporations of the CIA and Federal Reserve Banking System to work under the U.S. Dept. of the Treasury.

Lets take a walk back in history.. to a book by the name of MAJOR JORDANS DIARIES.. An Original resides in my Library, however it is easier to pull this off the website as a convenience for all readers [<http://www.sweetliberty.org/issues/wars/jordan/01.html>] In this case, as in all cases of war (that we've been able to ascertain) the 'victors' are never a nation, regardless appearances, modern history books, or reporting by the media. Why? Because the real victors are the same group of international financiers control the major publishing houses, education (from K-12, into and through all levels of higher learning), as well as the media. And let us not disregard the major role the entertainment industry plays in the thought control process. Books, movies, games, videos, music. . . all of it geared to create the International Citizen/Slave.

Notice that on May 10, 1942, Major Jordan reported to "UNITED NATIONS DEPOT NO. 8, LEND-LEASE DIVISION, NEWARK AIRPORT, NEWARK, NEW JERSEY, INTERNATIONAL SECTION, AIR SERVICE COMMAND, AIR CORPS, U.S. ARMY."

How could that be?!!! U.S. history and government documents assert that the U.S. didn't join the United Nations until three and a half years later! October 24th, 1945. And then again. . . maybe not. Maybe it's just one more lie in a nest of lies, liars and traitors.

Before you read the shocking revelations from Major Jordan's Diaries about the billions of dollars, airplanes, tanks, munitions, foodstuffs, whole factories, blueprints and material for building the Atomic Bomb, personal luxuries for despotic Bolshevik Talmudic Communist rulers, as well as the paper and plates enabling them to print U.S. Federal Reserve Notes -- all this sent to the U.S.S.R. from UN Depot No 8, Newark, N.J., U.S.A., -- let us set the scene.

From Major Jordan's Diaries. CHAPTER TWELVE . How Russia Got U.S. Treasury Plates <http://www.sweetliberty.org/issues/wars/jordan/12.html>

Going back to the "Gladios" which deeply involves the Bush-Clinton UnAmerican Activities Group.. We have both Bush & Clintons.. which will if one digs deep enough go back to WHY I supported Christopher Story's Article was because the dots keep connecting back to GLADIOS or THE STAY BEHIND As Communist and Fascist fight, and fight to get control over the DEMOCRAT REPUBLICAN PARTIES of the American Politics... Americans from one of this continent to the

Doppelgangers also known as look alikes were rampant..
