

"If we stuck to the Constitution as written, we would have: no federal meddling in our schools; no Federal Reserve; no U.S. membership in the UN; no gun control; and no foreign aid. We would have no welfare for big corporations, or the "poor"; no American troops in 100 foreign countries; no Nafta, Gatt, or "Fast Track"; no arrogant federal judges usurping states rights; no attacks on private property; and no income tax." – Congressman Ron Paul

**Land of the FEE and Home of the SLAVE !**

**De Facto Government:** One that maintains itself by a display of force against the will of the rightful legal government and is successful, at least temporarily, in overturning the institutions of the rightful legal government by setting up its own in lieu thereof.

(America's situation since 1938)

## **HELP "CONDITION" YOURSELF SO YOU CAN THINK YOU ARE STILL FREE !**

It's easy! Just pretend to believe what most everyone says they believe. It's not "cool" to recognize differences in people. We are "all equal" you know. So be "cool." Don't think, don't reason! Rely on, and Trust "the experts" in Washington D.C., New York and Hollywood. Be "tolerant." Hate only the people "the News" controllers (the real haters) call haters. Always believe their public-opinion- molders on TV. Cheer, when they slander a person or group with words such as cultist, white-supremacist, extremist, racist, anti-Semitic, or neo-Nazi. Be "politically correct." Be ashamed to be White and Christian. Be ashamed of the "selfish White Christian tax avoiders" who founded our nation. Avoid Patriotic Americans, Militia Members, Constitutionalists, and Identity Christians. Help "our honorable leaders" demonize such folks by ridiculing them too. Never question why our sons and daughters are sent to countries such as Korea, Vietnam, Somalia and Bosnia to be slaughtered....for "Peace." Don't "Discriminate." Encourage children to "experiment" with homosexuality. Gladly pay "your fair share" of taxes so your little children can be taught promiscuous-sex in school; that there is "no right or wrong (except reading the Bible.)" Be unconcerned that your children are not being taught to read, write or calculate well; or to learn geography and true American history. Enjoy "Democracy." Always vote for Career Esquire Republi-Cons and Career Esquire Democ-Rats but IGNORE THE FACTS: that their innumerable (mis-labeled) victim-less crime laws and their impoverishing unconstitutional income-taxes CAUSE wide-spread dependency, poverty, insecurity, misery fear and rampant crime; that our Wealth-Creating Industries & High-Paying Jobs are being shipped over-seas to communist countries; that you are shackled as a slave with the invisible-chains of economic servitude to an alleged national debt - so you will pay taxes on your life-long labor to help finance the gradual destruction of your freedom, your country & your children and grand children's future.
