Subject: Request Regarding Restroom Policy for LGBTQ+ Students

Dear Principal [Principal's Name],

I am writing to express my concerns regarding the school's policy allowing LGBTQ+ students to use restrooms that align with their gender identity. I respectfully request that my child, [Child's Full Name], student ID [Child's ID Number], be allowed to opt-out of sharing restrooms with transgender students.

I would appreciate a meeting to discuss this matter further and explore alternative arrangements for my child that address my concerns while ensuring a safe and respectful environment for all students.

Thank you for your time and consideration.

Sincerely,
