****Subject: Request to Opt-Out of Instruction on Sexual Orientation****

Dear Principal [Principal's Name],

I am writing to formally request that my child, [Child's Full Name], student ID [Child's ID Number], be excluded from any instruction, discussions, or materials related to sexual orientation, including but not limited to topics such as homosexuality, bisexuality, asexuality, gay identity, lesbian identity, and queer identity.

I would appreciate written confirmation that my request has been received and that my child will be excused from any activities or lessons pertaining to these topics. I also request to be notified in advance if any such topics are scheduled to be discussed in class so that I can ensure my child is not present.

Thank you for your time and consideration in this matter.

Sincerely,
